Select your center and enrollment period as indicated here:

Available Enrollments

WSH - Canyon Country 2019 - 2020 winter Register

WSH - Santa Clarita

Once you have completed the online portion of the registration, bring your signed referral form to an **OFL** center near you. A representative will help you complete the enrollment paperwork, choose an appointment time, and issue course materials.

About Winter/Spring

Winter/Spring session is designed to help students who need a maximum of 5 credits meet graduation requirements. 3 of those credits are completed during the student's winter break from their regular school. The remaining 2 credits are completed during their spring break.

Bring your referral as soon as you receive it from your counselor. Winter session fills up quickly and we must give priority to seniors. Don't wait until finals to determine if you will need the winter session; bring the referral and sign up for an orientation even if you have to cancel later.

Students must bring their referral to our center and complete the orientation by **December 19th**; **students who are under 18 must bring a parent or guardian**. Students will receive their curriculum at the time of the orientation so that the work can be completed during their break.

Students must use the time during their break to complete the work before returning in January for testing. The Winter Session testing begins, **Monday, January 6th**.
